The Premises:

Newish apartment near the center. Small but perfectly formed.

The Lady:

Nice body and big smile set at ease.

The Story:

Got organised and settle in.

Chatted away for a few mins.

All seemed good so shown the shower and after that joined her on the bed.

Things moved along very nicely.

Her hands and mouth do a good job.

After a while I had my hands on her hips as I humped her from behind.

Finished off on top of her and all was happiness.

Very nice from a lovely lady.
