The Story:

When Suzy first came into the room I was pleased with my choice as she is very attractive and I find Oriental women sexy. She has a shapely figure and stunning face. We started with a massage which was OK. It was the standard type of thing that was slightly disappointing, but given Suzi's sexiness I wasn't over fussed with. After a while she turned me over and having put on a condom she started to give me oral, which having sampled this from many of the girls at this establishment was good. Not perhaps up to the very best, but way above average. She seemed to enjoy it as well, which is a bonus. Yes good way to spend ?90.
