The Premises:

Our meeting was at her (working) flat above shops in the town. inexpensive pay and display less than a minutes walk away. This location is easy to find with SatNav and some guidance beforehand. Access is at the rear of the shops up a metal staircase. This is a perfectly safe place with no nosey neighbours.

The flat is clean, warm, tidy and very functional. Clean bathroom and bedroom. Mirrors to 2 walls.

The Lady:

Amanda is just as her web page pictures show in fact I like her better in the flesh. She has a great slim body and legs, well cut hair and very attractive.

The Story:

After a few minutes of chat over a drink, we retired to the bedroom.....Oh I forgot to say that I was greeted at the door by Amanda wearing a tiny bra and thong.....I declined a massage as I still have some injuries that wouldn't stand working on (I will take her up on this the next time I see her). Instead I asked if I could provide her with a back and shoulder massage, which she did. She popped onto the bed removing her bra and I worked away with some oil for a while until I couldn't resist the need to move on to other things.....I am not about to tell you here what we did, but needless to say, she is so sexy, she kisses as if she means it, she moans when she needs to and its real and she comes for real.....ME I just loved every minute of it.

After a quick cool down and a getting dressed chat, I left her with a big smile on my face.

Amanda, thank you
