### The Premises:

Sensations is ok enough, clean.

### The Lady:

big but horrible saggy tits, overweight but she was the only thing available. about 5'5, blonde hair.

### The Story:

she was nice enough as a person but she doesn't seem to know what she's doing! she touched my cock for about 3 seconds then decided it was hard enough (it wasn't) , got on top and just couldn't be bothered. then told me to wank myself off. what a joke! worst place i've been to and won't be going back.
