The Premises:

Tiny flat in a large house about 5 minutes' walk from Earl's Court station, on a side road and with a fairly discreet entrance. The flat was a little shabby, but clean enough for purpose. A safe enough area at any time of day.

The Lady:

Olivia is a slim, attractive Russian, mid to late twenties, about 5'6". She has medium length black wavy hair, smooth well-moisturised skin, compact A/B breasts, and a nice womanly bum. Her pussy was almost completely shaved, with delightful lips protruding. She has forthright but pleasant manner, speaks excellent English, and appears quite unfazed by her current occupation.

The Story:

I had a most satisfying hour with Olivia during which time I enjoyed: reverse oral, lengthy ball-sucking, kissing, and shagging in various positions. Although she didn't actually suck my knob-end uncovered, there was plenty of lower shaft licking and sucking, and the all-important ball and perineum action. When she finally applied the condom, it was with her mouth, so I suspect she may not be up for OWO, although it really didn't make any difference to me at the time, for what she did elsewhere was skilful and enthusiastic.

Kissing was not deep but it was passionate, with tongues, and very sexy.

Reverse oral was gratefully received, Olivia came to a shuddering climax for which she later thanked me!

Shagging was deep and tight and totally satisfying.

A good session with a sexy, uninhibited, confident woman. Recommended.
