The Premises:

Grubby looking shop front, done up a little inside - basic two up two down kinda terrace.

The Lady:

Very Skinny, tanned, small but pert breasts and blonde. Described as mid 20's but more likely late 30's or even into her 40's. Still a good looker for her age though.

The Story:

Had to wait upstairs until she'd finished chatting and watching tv downstairs. Took payment up front and told me to lie down for a front massage which was very half hearted. After starting on my cock she informed me that she was only offering owo and handjob and only proceeded to pull her bikini top down being unwilling to uncover anything else.

All in all disappointing so I left, after being asked which service I wanted (I asked for regular) I was refused full service because she 'wasn't doing it today'.
