The Premises:

Well-decorated clean flat with good parking outside. Very safe quiet area.

The Lady:

Very attractive, mid- to late-20's, 5'8", nice firm breasts, slim but curvy build, long dark hair, green eyes, porcelain skin.

Se was wearing a sexy black dress with stockings and heels.

The Story:

Mistress R is a very experienced, seductive Domme who knows exactly how to cater to different scenarios. She was able to appreciate what I wanted immediately. This involved fairly extreme CBT and face-sitting. She took complete control of the situation, forcing me into total submission. She has a natural flair for domination, and throughout the session, I felt I could put my trust in her totally, and she was very good at respecting limits.

I travelled quite a way to see her, and I'll definitely be seeing her again. Thoroughly recommended for domination in a domestic setting, if, like me, you don't appreciate the 'dungeon' scene.
