The Premises:

this is a private members club for swingers. It is in a residential area in Fulham and you wouldn't know it was there from the outside. There were 6 girls there and to be honest I could have had any of them. I chose Diana who was a blonde Argentinian girl with a fantastic body. There were several couple there as well who were all keen to join in.

The house was clean and there were free drinks and food and the atmosphere was very relaxed and friendly.

The Lady:

Diana is blonde and slim with great tits just crying out to be sucked. Long legs and freindly eyes made her very welcoming.

The Story:

She made all the moves and sucked my cock so hare I almost had to pull the sheets out my arse! We did lots of oral and ended with doing it doggy style. We were joined by a couple from France who were well up for a good time and we all ended up in a heap together.

I will definately go back as it was such a bargain as you had lots of time. There were so many girls to choose from that I would want to find a new girl next time but that is not to say anything bad about Diana
