The Premises:

Very pleasant, just off Upper Street near Highbury & Islington tube.

Nice welcome. Never been before, didnt know it existed and (damn them!) I'll be back alot as its directly on the way home.

The Lady:

Two girls on offer, I chose Angela from Spain. She was 5'6" about 20, slim, small boobs, pretty and an amazing slim body.

The Story:

Well, she's a funny one Angela. She's kinda shy and that makes me a bit shy. She's not very encouraging with sounds, you know the type. But she IS willing and let me kiss her all over, feel all over her body. She didnt start any extra touching or kissing - kept it simple. Decent oral and then a cracking fk. two positions. Really had a nice long hard one, she made natural encouraging sounds then which was nice.

After we lay on the bed together and she left me recover and touch her - i still had a bit of time left. That was nice, at least she didnt get dressed right away.

Id recommend her as she is dead cute, sweet girl with a lovely face & body. But she's a little quiet.
