The Story:

My first meeting with Rachel. Perfect GFE from start to finish with us taking time to build and reminiscent of the love scene in Starman (Jeff Bridges / Karen Allen 1984 for the movie buffs) Great kissing, delicious oral from me which I think Rachel enjoyed and then her attention on me which she does so so well. Tells me she is self taught and in my book she can go straight to the top of the class. On to the main event with Rachel on top, played with and kissed her wonderful boobs and then doggie to finish with Rachel turning round and grinning lasciviously that doggie is naughty - heaven!. Finished with a chat on the bed with more stroking and kissing. I really really like Rachel - to me she is as good as Francesca if a little less quirky - sorry Fran! Thanks Rachel, I will see you soon but only if you promise to wear the stockings and thong when I follow you to the door to kiss you goodbye. X
