The Premises:

Well known block of flats on Sloane Avenue. Fit for purpose

The Lady:

Hair colour has changed from that on pictures on the website. Dark with dyed streak. Face a wee bit chubbier than pics but I found her very cute. Had a couple of cuts on her arms which I found disconcerting, but don't think she's a self-harmer and will give her the benefit of the doubt.

The Story:

Bloody marvellous. Very sexy, very sassy and a great laugh to boot.

Would happily take her out for the evening and return for some top fun no holes barred bedroom athletics. OWO CIM technique A1!. A levels....not going to be the tightest, but offered and received like only an A grade student can.

Have plans in mind for a serious party with Isobel and another of Max's girls for a serious party....just trying to pick the other player!
