The Premises:

A very clean and warm house located on a not too busy road. Parking was extremely easy, and I didn't feel intimidated at all when approaching her front door.

The Lady:

Tara is only a little shorter than myself, so is probably abot 5'9". She has a lovely figure which is beautifully proportioned with the most fantastic pair of breasts. She has really friendly eyes, and has auburn medium length straight hair. To top it off she has one of the most sexiest smiles I have ever seen.

The Story:

I was welcomed at the door by Tara wearing a lovely black low cut number which displayed her ample cleavage perfectly. She was also wearing fishnet stockings, which I later found to be hold ups. She invited me in with a kiss and was shown into the lounge where I made myself at home while she made coffee. When she returned, she sat next to me on the sofa, and we chatted. All the time her hand was idly wandering over my body, lingering teasingly and the top of my legs. Eventually we started kissing passionately - and bit what a kisser she is. Not only that, she really seems to enjoy it. Plenty of caressing and use of the tongue involved.

Eventually, she got up and lead me upstairs to the bedroom. There she sat on the edge of the bed and pulled me towards her, and all the time looking up at me undid my trousers and pulled out my cock and started sucking. It was bliss. Plenty of eye contact, use of the tongue again, carressing of the balls - everything I could have wished for. This went on for a few minutes before I undressed totally and we continued on the bed.

I helped Tara out of her top and started playing with her beautiful breasts, which she seemed to enjoy before she went down on me again. After a while this was too much, and I jumped off the bed as I cum in her mouth. She swallowed it all.

After this, she moved back up the bed and we cuddled and chatted before the kissing started again. This time I moved down on her wet pussy, which is clean shaven. After several minutes of using my

tongue and fingers, on went the protection and she started riding me while I played with her breasts again.

OK, I may be rambling a bit here, but it was such a good time, I am just enjoying recounting it too much LOL. Anyway, we moved onto doggy - which she loves hard and deep - and finally spoons when I came a second time while holding her close.

In summary, Tara is the ultimate GFE in my opinion. I know it is said all over these pages all too often, but treat her well guys. She is the best, and if you are reading this Tara, thankyou. You have made an old man very happy :-)
