The Premises:

Debbies provides the perfect response to those misguided Labour politicians who want to ban the whole business on the grounds that it's a morass of exploitation, violence, drugs and misery.

Debbies is an excellently run - dare I say, respectable - establishment, which is all about fun and enjoyment. Debbie herself is always cheerful and welcoming, and all the girls I've seen there seem to take their cue from her.

The Lady:

Attractive, pleasant, open face. Tall and slim, with nice skin. One small tattoo, at the base of the back. Hair probably not as blond as it appears on the website. 27, according to Debbie.

The Story:

Chelsea is lively and good company. Don't see much point in going into a lot of detail, but I can tell fans of hand-jobs (which is how we finished) that she has the perfect grip - tender but firm - and is a wonderful judge of speeds. And I do like a woman who wraps her legs around her man in missionary. Didn't allow fingering, which was a pity, but overall no complaints at all. I promised her I would be back - which will be no hardship.
