The Premises:

Great Location a few minutes walk half way between Oxford Street and Baker Street. Nice Flat with 3 bedrooms. Very clean and tidy loads of clean towels and robes. Entrance off busy road so feels very safe and discreet due to the number of people about.

The Lady:

Jasmine, Rafiela, Emily, Malina, Nicole & Victoria

Six of the best. All very sexy and variety is the spice of life !

All very hot in different ways. Pictures of each of them are on the website and are very accurate.

The Story:

It doesn't get better than this. I think that across the two hours there were 8 of us.

More than 3 is a waste as you only have two hands and one mouth !

At one time I had 5 of the 6 on the bed paying sole attention to me.

If only I could tell my friends this !

What an amazing fantasy come true.

Party now as it's quiet and you will get the time of your life.

Lady M and M are great hosts and take great care and passion of their business just from talking to them and spending a little time in their company you realise it's very important to them that the parties go well and everyone enjoys themselves. That gives them a great long term business. It gives us a great party with the best girls.

Malina even found time to give me a great massage and click my neck and back into shape.

Absolute recommend as I had a fantastic party and would like everyone to know that LMP is a great choice.
