### The Premises:

House in a relatively quiet residential area, safe and easily accessible. Inside it was clean and warm. Her directions were easy to follow and precise. Safe location.

### The Lady:

Julie was exactly as advertised, a very attractive blonde lady who has obviously looked after herself. Dressed in a simple black dress with sexy underwear underneath.

### The Story:

I arrived on time and was greeted with a kiss and immediately offered a drink. I chose water so I could keep a clear head.

Up to the bedroom where Julie undressed me and we lay down together. She immediately gave me oral attention and I would have come very quickly if I had not stopped her. I asked her to lay back so I could give her oral and what a delight! Julie tastes very sweet indeed.

I will not go into too much detail but suffice it to say that her oral skills are the best. She even managed to get me to come twice. There was no rush and we chatted after for a long time. Julie is excellent at what she does, puts you immediately at ease and after a short while it seems like you have known her for years. And the sex is very good too.
