The Premises:

Town Centre parlour, but quite discrete entrance off a side street. Many reports on here, so no need to go into further detail.

The Lady:

Late 20's (guess) black lady. Lovely tits and great sense of humour! Very flexible!!

The Story:

Firm massage (which I like) with lots of poking about in all the right places. Then my turn to massage Alliyah. She just loved it, especially when we got down to the 'O'. She rubbed my tongue HARD on her clit (my lip was swollen afterwards) and wanted me to finger her until she came. Of course, I was happy to oblige. Great punt; great value; great girl.
