The Premises:

The usual IK apartment - very clean & smelt great.

The Lady:

Stunning face with fantastic smile & sparkling brown eyes. Petit 5ft 1inch but with curves in all the right places - the best enhancements I've ever had the pleasure to hold and an awesome ass! Unbelievably soft smooth skin.

The Story:

From the moment Rachel opened the door to greet me in her tiny backless black dress I just knew I was in for a fantastic hour.

After a nice chat & glass of wine on the sofa, Rachel excused herself to get into something smaller (!) & my heart skipped a beat when she reappeared in fantastic red teddy - I got a perfect view of her aforementioned awesome ass (see above) as she led me to the bedroom!

Rachel has the softest lips I have ever had the pleasure of kissing and she really does like to kiss a lot (and all over) and likes the same doing to her - so I duly obliged! The peaks of ecstasy that Rachel took me to will live long in the memory & my head is still spinning some 3 hours later.

The only down side to this visit is that I am annoyed with myself for not having seen Rachel earlier!
