6 simply stunning ladies: Sabrina, Jasmine, Helena, Jodi, Honey & Nicole.

All the ladies were even more gorgeous than they appear on the LadyM website....definitely a case of exceeding expectation!

The Story:

Wow! This was my first experience of partying. I'd spent an age researching various parties on the web and decided on LadyMarmalade based on nearly 100% positive feedback and the pictures of the girls.

I was first to arrive...which I'd recommend to anyone trying this for the first time. Whilst I was nervous initially, by the time LadyM had given me a guided tour of the apartment, introduced me to Moss and the girls and poured me a cold beer, I was more relaxed and ready for action.

As a supped on a cold lager, Sabrina came into the lounge and sat next to me. We chatted for a few minutes before Sabina said "shall we go party"? Who was I to refuse! She led me into the first bedroom, opened my robe and started gently carressing me. Soon I was returning the pleasure...then without another word, Sabina lent forward and took my whole length into her mouth - amazing! She has an amazing talent....we swapped positions allowing me to taste her. By now we'd been joined on the bed by one of the other party goers and Honey. Honey had already mounted him cowgirl style and was rapidly bringing him to a finish. Taking the lead, I decided it was time to get hooded up and get inside Sabrina.....Seconds later we were going at it like rabbits....and soon after that I shot my load.

Cleaned up by Sabrina and got a nice kiss and a promise that we'd get together again later.

Quick rest, by which time the party was really getting going. There were around 10 punters paired

up with the 6 girls. As I walked down the hallway, Nicole ambushed me and dragged me into the end bedroom. DFK, BBBJ, 69 before she slipped on a condom with her mouth and I took her doggy style. What a sight....me bagging away at Nicole whilst one of the other punters was doing Jasmine the same way with the girls kissing each other. Unfortunately, Sabina had rather exhausted me so didn't cum.....but great sex.

Took a rest, and another beer. Freshened up in the shower before wandering back to the end bedroom. Helena had just come free and walked over and kissed me deeply. We caressed each other's bodies for a while before she dropped to her knees, slipped on a condom and proceeded to give the best blow job I can remember. As she built up the pace I watched down at her bottom thrusting back and forward out of phase with her mouth on my shaft. I usually needed penetrative sex to cum....but in no time at all I was shaking like a leaf as I shot my load in her mouth - divine. By this time I was oblivious to the other punters....about 4 in the room at the time, all either servicing or being serviced by a gorgeous girl.

Another rest...then went to find Honey who has reputedly appeared in a couple of porn films. Well, I can confirm she has the body to die for and she's forgotten more about pleasuring a man than most other women learn in a lifetime. We managed to get the middle bedroom to ourselves and spent the next 30 minutes going at it so furiously that we were both hot and sweaty. Again, Helena had taken a little too much out of me so I wasn't able to cum....next time. Honey is very very sexy and I'm committed to returning just so I can shoot my load with Honey.

More rest....and a few of the punters were leaving by now. Thought I'd try one more time....so went to find Jasmine. Jasmine has to have one of the most nubile bodies I've ever managed to get my hands on. We started with a delicate kiss before she instructed me to lay on the bed so she could give me a blow job. As I lay down (next to Jodi - who had a punter lapping away at her pussy), Nicole came and sat down beside me. As Jasmine started her ministrations on my old man....Jodi reached across and started massaging my nipples whilst Nicole kissed, sucked and teased my other nipple. Does life get any better. This was all too much - Jasmine maintained eye contact and varied between blow job, hand job, occasionally spitting to keep everything well lubed. That was it....I blew a load all over the place covering myself, Nicole and Jasmine. What an end to the party. The girls all applauded and giggled at the result of their work. Cleaned up by the girls before a shower and left.

For anyone thinking they might like to try a party, I can thoroughly recommend LadyM's. You're made to feel incredibly welcome, all the punters are friendly and the girls are stunning and a huge amount of fun. I've never experienced anything like this and will now become a regular.

Thank you LadyM.
