The Premises:

The apartment was easy to find and very near Paddington station. I felt safe at all times. Inside her room was modern and clean, plus the flat offered excellent shower facilities.

The Lady:

The photos on site do her justice. She is still in her early twenties with a fantastic, firm body, a great natural-looking tan, long legs and firm breasts. Overall, she reminded me of Kate Hudson (my personal opinion anyway).

The Story:

First of all she was very quick to put me at my ease (something other girls haven't done) and the whole things felt easy-going and relaxed. When it came down to business she was very good at what she does and offers a first rate service. Would definitely recommend and return.
