The Premises:

Nice flat, easy to find and within 5 minutes walk from Earl's Court tube station. Door onto quiet side street. She's moved a few months ago, and is no longer in the place with the nosy guy next door who was mentioned in earlier FRs. Pretty standard split level shared flat; ground floor room with upstairs bathroom.

The Lady:

Pictures are fairly accurate. She has a fantastic natural body, where everything is in the right place, shape and size. Not too thin, not too big, not too... you'll get the picture. The accuracy includes her lovely smile.

The Story:

I have seen Nicoletta a few times, and every time find that she is a delight to be with. Her English is pretty good. She is very easy to talk to on a variety of subjects, and it is easy to have a good laugh with her. She always made me feel very welcome, but I recommend booking her for 90' or longer. She provides great conversation and and action, and you'd really want the time to enjoy both and experience the whole package.

She takes her work very seriously. I don't think that I explored all the services that are on offer, but those that I enjoyed, she delivered with enthusiasm and I had her full and undivided attention. Sex in a variety of standard positions (A on offer, I believe, but never requested), great OWO/CIM (not hands-free).

I know a few better GFE providers, but even so, she ranks very high in my book due to her excellent combination of positive attitude, pleasant persona, good GFE, and enthusiastic delivery.
