The Premises:

A clean house in a quiet and safe residential area just outside of Whitchurch.

The Lady:

Jan is an attractive, classy looking, classy sounding lady with a slim figure and great legs.

The Story:

Jan was pleasant and easy to talk to while making arrangements on the phone. On the day, Jan dressed as requested with great attention to detail, so much so that it would have been fine to just watch her walk around for an hour. Like I said her legs looked great in her stockings and high heels.

The hour passed in a blur with sensual kissing and undressing and 'O' both ways. The lead up to my climax was a fantastic slow build up which made the end feel so much better.

I was on my way after a pleasant chat and offer of a shower.

It's been said before that Jan is an intelligent woman as well as a very sexy woman and while it would be naive of me to think she does this purely for the love of it, you leave with the impression that Jan is doing a job that she enjoys.

A GFE to remember. Thanks Jan.
