The Story:

Hands off Linzi; she's mine!

Despite having visited some great girls over the last few years; I was blown away by Linzi in more ways than one.

Having made an idiot of myself by booking Linzi at 10 p.m. in the morning, I was relieved to still get a booking. Linzi was as friendly with my mistake as she was throughout the whole booking.

Being a sucker for busty confident brunettes I found her irresistible. By the time Linzi finished with me I had lost track of the time, day or year. I have spent the last few days grinning and laughing, it was that much fun. Linzi knew how to press my buttons and I spent most of the time drooling.

As soon as my long overdue lottery jackpot comes up I will own this woman. The problem is that she tells me she will never leave Madam Becky and I will have to buy both of them. I hope Becky's good at washing and cooking, Linzi will be far too busy.
