The Premises:

Private flat on a main road within Covent Garden area. The street was busy but as the main entrance to the flats is by door buzzer any passers by will be non-the wiser, about what you're up to.

I was met at the door by the maid who showed me straight into a bedroom. which was clean & tidy with the basic furniture.

The Lady:

Sonia is a petite, good looking indian girl in her early 20's. She also has a very friendly & pleasant manner.

The Story:

The web site does say that they are near Liverpool St station but when I rang up to make the appointment I was told that they are located in Covent Garden.

Full personnal (30 min's) is ?80, but she does offer cum twice for ?100.

I opted for just the single shot and start off with a massage, fairly good technique (alot better that most). This was followed by some covered oral until I was nice & hard before we had sex in various positions.

My staying power was going well as the maid did knock on the door when the 1/2hr was up, but Sonia carried on until I had finally cum.
