The Lady:

Short blonde hair, 5'5", a pound or three since her pictures but very nice, very cute smile, shaven, and chatty

The Story:

I was shown to the room and given a few minutes for a shower. Tiffany came in, said "hiyah" and stripped off. Very nice. She sat and gave me a nice slow light touch massage. I had a long day traveling but her rub got things rising. I rolled over for a hand job and chest massage before she commenced with a nice warm covered oral. The mirror at the head of the bed is great for catching a look as I fucked her from behind.

I had a massive orgasm to which she smiled and said "You needed that!"

Great girl for a great fuck.
