The Premises:

very nice and clean, looks new, good showers and towels, safe but it is on a fairly busy street

The Lady:

Early 20's, 5'7" short brown hair, very nice boobs, curvy, shaven and smells good too. Description on web says she specializes in all areas, but she told me she does not do anal.

The Story:

After the shower she came in and suggested a powder massage which was really a very arousing fingernail tickle. She stripped off and snuggled down next to me -- stroking my cock. He oral without is very warm and wet. I almost let it go there but asked to get on for some fucking. Her mish is great nice smile and beautiful eyes. She pulled me in with her legs. When I came it was simply mind boggling!

It was such a pleasant way to finish a short workday.
