The Lady:

Astrid has what I'd describe as the "Girl next door" look. Extremely cute with a great figure. Nice tan, not over the top into tango country, but just right. The word "Pert" was just made for this girl!

The Story:

Really enjoyed my time with her. Opted for OWOC, and it was the most unhurried, pleasurable BJ I think I've ever had. She really took her time and knew when to back off to prolong the pleasure and I really felt that she was a girl who enjoyed her work. I also went down on her and she made all the right noises, so hopefully I was doing something right.

We chatted for a while afterwards and she was really friendly, gave me advice on the best places to hit for some nightlife, So thanks if you're reading this.

I would recommend this girl without hesitation, and I will definately be back.
