The Story:

i arrived on time and was greeted with a welcome kiss which soon became french we moved over to the couch where the kissing continued, her hand moving down to my jeans she removed my cock and went for a great OWO session she loves to suck cock i took off my shirt while laura stripped and we got on the bed where i liked her pussy until she came in my mouth. With that on went the jonny (with her mouth ,a great touch)her feet over my shoulders and i fucked her then moved too doggy, she said i love to swallow cum so she turned round and took all of me down her throat. What a great hour, she is fantastic i will be back over and over again
