### The Premises:

We met at a hotel of my choosing (Holiday Inn). Not the best, noisy and poor standard of food at the restaurant but the room was very spacious and clean.

### The Lady:

Ruth is petite with a figure to die for. When she walked into the hotel room my initial thought was 'Oh boy' as my knees briefly turned to jelly. Ruth is simply beautiful, nothing more can be said. She has sublime unenhanced boobs and a quite simply perfect pair of legs, it was all I could do to not spend the entire duration of the date staring mesmerised at them encased in black stockings as they were (but then I am a 'leg man').

### The Story:

Initially after seeing Ruth for the first time my mind went into gibberish mode but she quickly put me at ease as we sat on the couch and got to know a bit about each other.

We went down to the restaurant for some dinner, the quality of which was not really brilliant but Ruth didn't seem to mind and the conversation flowed. Ruth is an intelligent and articulate lady and a delight to be in the company of.

Back to the room and as is my want I will not go into graphic detail suffice to say an extremely enjoyable time was had although I admit I was still rather nervous initially. Ruth picked up on this though and I think found it quite amusing. All too soon the evening drew to a close and we parted company, me with a big silly smile on my face.

I initially arranged this date as I had to travel North on other business but I will definitely be making a 150 mile trip to see Ruth again in the future. She's a delight to spend time with in every sense of the word.
