### The Premises:

My hotel, 4 star although my executive room was a little small.

### The Lady:

Slimmer than I imagined, but very lovely firm body. She has an attractive face and says her best assets are her eyes. This is a lie, her breasts are her best assets.

### The Story:

Top class service from a professional courtesan. Lovely body, and uses it to make sure you have a great time. Kind of a mixture between GFE and Porno. Like her girlfriends dirtiest friend who is determined to f\*\*k your brains out just because she can. Superb service.
