Very Nice..!

The Story:

Not too sure where to start, greeted at the door by joanna dressed as above, great start.

Offered a drink and kindly accepted a juice, needed to shower up as had just sat thru one of those long boring meetings that seem to drag on for ages.

Shown thru to the shower and stripped off, Joanna very kindly folded my clothes and even hung them up in the wardrobe.

Dried off and met Joanna on the end of her bed where she was sat showing ample cleavage and a little stocking top (works for me...lol)

Into a bout of snogging tongues and all soon had the old fella standing to attention specially when her hand wandered between my thighs.

Asked to lay back so Joanna could pay some special attention to the old fella where she administered some wonderful owo soft long deep and sloppy just how it should be...! with special attention to that area between your balls n bum hole (v close to a rimming but not quite lol may be next time)

After been brought to the edge and back numerous times the inevitable happened with the lovely joanna swallowing all i had to offer.

A brief respite and it was my turn to return the favour on what was a lovely sweet tasting responsive pussy, eventually came up for air where joanna licked and snogged her juices from my face...fuckin fantastic..!

Joanna then headed south again and wow administered more wonderful owo to the same conclusion, she has the ability to use that lovely hair of hers to add great sensations whilst sucking you off chuffin great.

Never got round to the main event but i never wanted to with the great oral skills perhaps next time.
