### The Story:

This was my 8th or 9th visit to this establishment in the last year. But it was the first time I have asked for a specific lady. I first saw Caitlin last week and had an amazing time. She offers different services but I opted for the full GFE. We started standing and kissing. Gently caressing each other. She knew exactly what to do to get me rock hard. She then offered me a massage, which I accepted. She then rolled me over on to my front and gave me the most amazing blow job. Getting me almost to the point of no return and then stopping. I then returned the favour and she seemed to enjoy it (I know I did).

I couldn't contain myself any more and had to be inside her. So on with the condom and she climbed on top. Biting and kissing me until I could go on no more and came hard inside her.

I have never had a bad time at Kandy's and would recommend any of the ladies I have seen there. This is the first time I have felt compelled to write a report about any of the ladies though. Caitlin is the best I have been with, and I have been with quite a lot in my time.
