### The Lady:

Very attractive and immaculately turned out. Looks a little like Chanelle from Big Brother. Short blond hair in a bob. 5'8". Came wearing thigh length socks and 6" heels. Body as 10 as a 10 could ever get. C cup breasts. Lovely tattoo above her bum, one on her lower right tummy. Grate legs. Nice bum. Slim but curvy where you want it. Could not complain.

### The Story:

Have not used Bubbles for a while but had wanted to see Ellie for quite some time but struggled getting hold of her. Opened the door and thought she looked great. Very nice and friendly. In bed, hmm, not so exciting. Asked me what I liked but didn't make much effort to get me excited. Oral with was pretty good though. Then sex in a few positions. No kissing. She seemed to come twice and moaned genuinely enough, but very hard to say if it was for real or not. Very keen to get me out almost before I had finished climaxing which was not good.

Overall, I would just about recommend, although I prefer a girl that makes a little more effort. But Bubbles is not the most expensive visiting escort agency though. Have used them a few times in the past and the experience is OK, not spectacular, and this was pretty much typical.
