The Story:

Just catching up on reporting some of my recent punts.....

I've used this Agency quite a few times now when I fancy booking an upmarket escort as I know the manager runs a tight ship & all the girls that I have seen have been top drawer! Rachel was no exception!

Rachel knocked on my door looking fab & sexy but in a understated way! Just what I like!

A nice chat with this intelligent wonderful lady over a glass of red followed..... Then....

I soon discovered Rachel had on the most feminine of underwear in my opinion - classy basque & black stockings!

After some deep FK & cuddling Rachel gave me the most unhurried awesome OWO - expert tongue technique & constant eye contact..... Eye contact is such a turn on during oral! A lot of girls don't realize this!!!

She then rode me cowgirl - her pussy being lovely & tight! I'm a sucker for tight pussys! Ha!

I then feasted on her small perky boobs & played / teased her love hole! Gosh she was so wet!

When Rachel was panting it was time to give her a good fucking.....

A variety of positions followed - missionay - behind standing up - kneeling - bent over the sofa!

Wow....

Then more kissing & OWO got me going again...

A really really nice experience this.....

Thank you Rachel.....
