The Premises:

Rachels which is a massage only place on a street just outside of Ipswich centre, pretty open and likely to be people walking around outside when you go in, once inside theres two rooms upstairs and a shower.

The Lady:

Chanel is a curvy blonde lady, at a guess early 30s, very pleasant with big natural boobs and a nice round bum. I would say shes very cute and sexy.

The Story:

Entered and was lead upstairs to one of the rooms, left to get undressed and onto the massage table and Chanel came back and got started. The massage to be fair, is not as thorough like a full body one, but Chanel does some nice tickling and rubbing of your legs, up and down, and some absolutely wicked teasing of bewteen your legs when you are laying on your front.

Once turned over Chanel continues the teasing down below, not in a rush to get you to shoot your load at all, she builds it up just right with some nice stroking and some playing. Eventually reached the point of no return and she finished me off nicely. Shower on hand so refreshed up and was shown out.

Prices here are 30 quid for an hours room fee, 25 for 45 and 20 for half an hour. Topless HR is an extra 30, body to body and reverse massage are also on offer, but I stick to the topless HR with whichever lady I have seen here, Sarah and Jodie are both very nice and also work here on different days.

Channels great at teasing and building up a great climax, will of course be back to see her in due course, this time I will try and bring some Hubba Bubba instead of the Juicy Fruit Chanel, better for blowing bubbles as you pointed out.
