The Premises:

Despite punting in Birmingham for a good while this was my first visit to Blue Ice.
Quirky relatively private entrance!
OK street parking even with all the development work taking place on Consitutional Hill.
Room was a bit dirty - tissues on floor!
As I was to find out - shower facilities poor & not very private as they are by the front door!
I had trouble leaving too - see below!!!!!!!

The Lady:

I choose lady called Chelsea despite being a Villa fan!
Mixed raced lady - super smile - Afro Caribbean / Caucasian - said she was 23. Lovely coffee coloured complexion. Slim with great butt & natural titties.
Cute looks, nice personality & made me feel welcome.

The Story:

Still writing up my recent post punts!
Decided to treat myself to two punts today courtesy of recent monetary windfall - this was the first!
Usual crap massage to start! Even Chelsea admitted that she wasn't very good at massage! So we cut it short.....
Gentle hand job - nice action.
Asked Chelsea to stand up so I could work on her boobs! Nice big nipples!
OWO was very good with plenty of licking! It's a real pleasure when a lady takes her time & teases you - this is what Chelsea did. Top marks to Chelsea.
Missionary position was next - Then a prolonged cowgirl which allowed me to feast on those breasts.
Then by clever positioning of a chair I was able to take Chelsea doggy over said chair whilst seeing our reflection in a mirror - watching her swinging boobs & squeezing her butt. All through this Chelsea was very responsive & seemed to be genuinely enjoying herself.
After climaxing I started to clean myself up but Chelsea insisted on doing it. Nice touch!

Chelsea is an excellent punt & I would like to see her again but not whilst she's working at Blue Ice!

I did not care for the establishment due to the tatty state of the room we used, poor shower facilities & the fact when I left there was no one to call the lift for me! This has to be done by the maid apparently from a private room but she had gone AWOL! So in desperation to get of the place I had to shout out & Chelsea who was now with another punter had to come out to help with the lift!
