### The Premises:

Very impressed with the set up. Directed to the back entrance which was very discreet as promised. Security Door entry system. Greeted by well spoken polite receptionist with nice cleavage. Showed me straight into a room with a jacuzzi where i was told to make myself comfortable and the girls would be along shortly to say hello. Plenty of porn mags to read while i waited. The room was luxurious and spotless. Smelt fresh and the towels were white.

### The Lady:

Tall and slender english brunette. Very sultry looks and the most amazing eyes. 22 years old with legs up to her neck. Quite pale complexion but every bit an english rose.

### The Story:

Becky brought me in a beer which was a nice touch. She straight away started to undress and insisted we share a jacuzzi together. She sat on the edge of the jacuzzi with her legs astride stroking her pussy. She took my cock in her hands and began to soap my dick til it was rock hard. I could have bent her over and fucked her there and then but she told me to slow down as we still had plenty of time. She sucked my cock with expertise and it wasn't very long before I shot my load over her tits. She rubbed my spunk all over her bare wet breasts. We lay down, hugged and chatted for a bit. She is a very sweet down to earth girl. It wasn't long before she was tickling my balls ready for another go. I was suprised how quickly she got me hard again I just let her take the lead as she obviously knew what she was doing. She had plenty of energy and really enjoyed herself. I think she likes to please. She pleased me over and over and over again. What a girl. A fantastic Girl Friend Sexperience. Her words not mine! Definately going back for more. And Soon
