### The Story:

Laima is a long term punt of mine, i have been seeing this lady since early 2005. And i hope to keep seeing her till she retires.

Each time i see her i never feel like the service is pre-planned.

its always a different experience.

she just goes with the flow and responds extremely well to every situation

Since i started visiting Laima i have never been to see any other lady's.

She make me feel special every time we meet.

Gives kisses like a long lost lover

i shouldn't really recommend liama as i want to keep her to myself. But she is very busy now & she is usually booked 2-3 days in advance.

but on this meeting she gave me a special discount to write a report about her , i feel i must keep my word.

laima check your booking time and you will know who i am. lots of love to you my darling .

will see you soon
