The Story:

This day I just wanted someone to give me a good service, to forget my marital issues, and I must say this Rachel of a girl did it for me in 1 hour. Very responsive, and actually into her work. I actually forgot she was an escort. Let me not bore you and go straight to the gist. She loves to be licked, and tickled. She gave me the best oral my dick had seen in 10 yrs of punting, and for those of u into being rimmed, she has a naughty tongue. I leave the rest for your imagination.

Sex was also good, and was able to pop her twice, and finish happily on her face, like a porn movie.
