The Premises:

Her flat about 10 mins walk from Earls Court Tube. Perfectly pleasant and safe,.

The Lady:

Photos on website are accurate. Good looking slim girl blond girl with nice breasts and a very nice body in her early 20s. Only slight minus is a few stretch marks on her tummy.

The Story:

Brittany goes by the name of Jessica at Girls in the City and is on a few other agencies as well. Her photos are accurate. East European (Hungarian) but good English and a nice friendly girl. Very responsive sexually. Even I managed to get her going a bit and if you have the staying power I suspect she would cum. She resembles Adriana in Holborn whom I have reviewed previously. Definitely recommended.

8/10 (but for stretch marks would have been 9/10).
