### The Premises:

In and amount posh houses in the basement. Greeted with a sweet smile and escorted to a room lit dimmly with music. Get mood set.

### The Lady:

Bella had just come back from Holiday, also from ATOC agency. Bathroom clean and well supplied. Bella has straight extensions at the moment. Pictures heavily photoshoped! Breasts much smaller and less full than picture. Skin is not as smooth as it looks on pictures with some moles on body. She gave a very good massage but think she did not shave her arms recently as felt abit rough.

### The Story:

Altho she did not look like picture, she was still very sweet and had quite face pretty. Great kisser and enthusiastic to please. The sex was good and she had a great sense of humour a good conversationist afterwards. I can honestly say that I would have enjoyed just speaking to her for the whole hour, not to say I didnt enjoy the sex but I equally enjoyed our convo.
