### The Premises:

It's Debbies ? ?nough said! It is an institution, and to make it totally perfect, the lady herself was maiding ? hugs and kisses and raucous laughter made the wait for the goddess Chelsea a real pleasure ? great to see Debbie again, now we just have to get her to stage another of her duo days for those of us who missed out at Christmas ? please Debbie?

### The Lady:

Chelsea is a total delight ? bright and charming, tall, slim and majestically designed for sex. If you have yet to see her face, you will have to take my word that she is really beautiful and has a smile, nearly permanently, which lights up the room.

### The Story:

What else do you at Debbies, you shower intimately with a beautiful young woman who soapily massages your already enthusiastic erection, then you take her to bed and have whatever kind of sex turns you on. For those who would like to know, she has the sweetest pussy imaginable and adores prolonged reverse oral (which she got), and the afternoon finished with me fucking her leaning against the glass wall ? a wonderfully tight grip as I exploded inside her.

Chelsea is one of the erotic superstars of London ? I was amazed that I managed to get an appointment with less than 6 weeks notice ? I doubt if I will be able to in future.
