The Premises:

Clean, safe area, 2 bed terrace, parking on street outside is safe. Discreet ring on the bell - quickly answered by THE best maid in the business.

The Lady:

A complete knock out!! If I was told she won Miss Brazil last year I wouldn't be surprised. I would guess around 20/21 years old, 5'5 in height, size 8, natural boobs with responsive nippys and a cleanly shaved snatch.

The Story:

If you are after the complete girlfriend experience with one of THE most stunning girls you are ever going to see then this is for you! Not as raunchy as some of the other girls at this establishment. She gave me an amazing 'hands on' lapdance grinding her bum into my groin encouraging me to touch her. We then moved to the bed and she gave a wonderfully blowjob (without) taking it in the full length, didn't try to rush me with use of the hands which is nice to see.

I wanted to return the favour and she has a beautiful pussy, very tasty and gets wet rather quickly. After only 3-4 minutes of this she asked me if we could do 69!! Who am I to argue? I could only last about 5 mins of this as it was too good. Then on with the mack and she got on top in reverse cowgirl - what a sight that was!!! She had both feet flat on the bed and used her leg strength to move up and down giving me a great view of my cock slipping in and out. She then turned herself round to face me and then that was my lot - shot my load whilst we kissed with tongues.

What a wonderful FULL half hour with one of the most gorgeous women I have ever been with.

I was told she works on Wednesdays and Thursdays but I would get in there quick as girls like this don't hang round for long!

Thanks Daniella xx
