The Premises:

Tasteful spotlessly clean working room, lovely and warm after the cold outside. Rachel has obviously put time and effort creating a comfortable place to visit in

The Lady:

Curvey shapey lady with stunning blue that you just feel like your drowning in. (yes I am now a big fan) Rachel is just such a warm natural woman in every way. Totally comfortable with who she is, something that I found very attractive.

The Story:

I was tempted by Rachel's "dinner and dessert" special offer, which is a meal (a late lunch in my case) followed by a two hour incall. Rachel was just so much fun at lunch, those sparking blues and naughty sense of humor had me spell bound. Once back at Rachel's place the "dessert" was every thing I had hoped it would be. Lets just say she is a very creative lady. Once again her sense of humor and friendly manner made this by far my best punt this year. I will return as soon as I can.
