The Premises:

The Venus sauna is an ok place, nothing fancy nothing tardy, been a couple of times and never found it tired. Showers are small but they work, lockers are ok but i prefer to keep my valueables with me

The Lady:

Good choice of girls that night, picked one called Summer, 20 something blonde, really nice body and face also sawa Bethany there, had her before, hot stuff, so had the two.

The Story:

I let the ladies get me stripped down and then they stripped each other down slowly, looked like they were enjoyinig it, Bethany gives a blow job and Summer stuck her tits in my face and demanded they be sucked then they swapped around and then they both sucked me. I managed to pump the pair as they took turns playing with themselves as i did the other and they fondled each others tits. Bethany is the hot fuck and Summer is a breeze.
