The Premises:

As previously described. A rather tattered magazine on the mantle piece but left open to a classy page.

The Lady:

5' 4", great body, soft breasts, perfect skin, sexy taste in lingerie, the costumes on hanging on the wardrobe send your mind racing.

The Story:

First post and first visit to S&S. Christina is a new girl there on Sundays. I was a little apprehensive as this was a late call but Christina has a great attitude.

She was wearing a pink bra and kickers which she managed to wriggle out of while I only had time to take off my coat and shoes - black fishnets on throughout. Obviously I was distracted with her lips, breasts and soft skin. She lay coyly on the bed staring at my bulge and talking sweetly while I finished undressing.

Onto a very responsive reverse oral, enjoyable BJ. Two positions - her on top and finishing in doggy.

More chit-chat while we dressed. No rush, sweet and relaxed.
