The Lady:

Jin is a beautiful oriental girl, she has perfect skin, a stunning body, and is just naturally beautiful. She looks even better than her photos in person and i don't think i've ever seen a prettier working girl.

The Story:

I read the previous field reports on Jin and liked the sound of her so called the agency to get a booking. I actually wanted to see her on Saturday but couldn't get an appointment at the time I wanted so booked in for Sunday morning, and she greeted me wearing some very sexy lingerie. She looks very cute and innocent but is definitely a wild girl and she gave me a brilliant blowjob until I exploded in her mouth, then it was onto sex, in doggy, followed by anal which took a while to get in as she is very tight but she took it well and this was fantastic, and then we finished up with her riding me to completion. Jin is sweet, friendly, and open to pretty much everything and you owe it to yourself to see her if you like Oriental girls as this is the best I have found yet.
