The Premises:

Large basement flat on a quiet back street in Marylebone, just inside the congestion charging zone. Short walk from Baker Street tube. A safe area at any time.

The Lady:

Leona is an intelligent, well-travelled, pretty young Polish girl, I would say in her early twenties. Unfortunately she looks significantly different to her agency photos. Those tumbling locks of dark hair have been dramatically reduced to a pretty bob, she claimed that very day. She is shorter and wider than the photos, I'm guessing they've been stretched, although she is indeed slim and has remarkable cheek bones. The photos also fail to show a facial piercing above her lip, and a small tattoo on her breast. However, she is not unattractive and any disappointment I felt was made up for by her upbeat personality. Leona speaks excellent English with quite a posh accent, has an easy laugh, and a pleasant manner.

The Story:

I was shown into a large, grey, sparsely furnished bedroom. I could hear the voices of other girls in the flat. I used the en-suite bathroom for a quick shower before returning to the bedroom where Leona was waiting. She was wearing black lingerie including the wide mesh fishnets she is sporting in her photos. We embraced and immediately engaged in DFK, a feature of the encounter that continued throughout.

With her standing I gave a thorough examination of her bottom, legs, and completely shaved pussy. After some time we swapped places for me to receive OWO and, of course, my favourite, ball licking and sucking. Her hands-free oral was nice with plenty of suction, but neither very deep nor varied.

I moved her onto the bed to resume reverse oral. Leona has a beautiful pussy that opened like a flower before me. She was fine with a couple of probing fingers, and seemed to enjoy my efforts to a degree. I spent quite a long time DATY and had not left long for shagging. Thus we indulged in only one position, not that I felt any need to be stopping and changing positions, such was the intensity of the sex. Leona took me really deep and we I enjoyed a passionate grind with plenty of

kissing to the end.

I would recommend Leona and may well return. It's a shame that her pictures are so misleading as the discrepancy detracts from her genuine attractiveness.
