The Premises:

Well reported. Good parking. Friendly maid - felt very safe throughout.

The Lady:

I have to disagree with some of the previous reports. Although this was a marvellous punt, she's a large size 14 with a bit of a belly - no way a shapely size 12! But she's pretty enough and very very friendly. Her attitude more than outweighs her size.

The Story:

She was really friendly and we talked about her Essex background and how much she enjoys herself in Preston.

The sex was really good too. She does the thing with massaging your balls with her tits and then going down on you sucking your balls and prick effortlessly! A real winner.

The sex itself is pretty good too - she allows you to go down on her fully and loves sex, thats plain to see. We did it in 3 positions and i came nicely.

All in all, a very good punt with a more than willing accomplish. Definitely recommended.
