### The Premises:

A very nice three bedroom flat that is 10 mins walk from Bond Street tube station and totally safe. Hosted by Lady M and Moss (both of whom - in a sensible world - would be recognised by the Queen (Sir Moss and Dame Lady M?) for Services to Mankind, this establishment is as near as I have ever been to heaven in my lifetime. Six beautiful girls - most in their early to mid-20s. Wine, snacks, tea + the camaraderie of sitting around chatting with other guys who get-off on orgies (and orgy is a more apt word than party!)...this is really living!

### The Lady:

jasmine is a tiny, olive brown. Brazilian goddess with an exquisite body and a sublimely beautiful face - age 21...looks 14. I still cannot quite believe that I made love with her (the greatest bit was when I was screwing her doggy while she was snogging Antonia - French, blonde, beautifull, tiny and also unbelievably sexy.

### The Story:

As mentioned above this is - if you are happy to party with other guys - quite simply heaven on earth. Six beautiful sexy girls who are (because they are with other girls and not alone in a flat with a punter) genuinely having a good time....and all for ?120...the only thing I don't understand is why there aren't more reports on Punternet and why the customers aren't queueing out the door. To be in a room on a bed with three gorgeous girls and one or two other guys - fucking and sucking (a girl sucking you while she is wanking off the guy next to you - then a glass of wine and a chat....then to come back for more group sex. It is (watch my lips) Heaven On Earth.
