The Lady:

Statuesque blonde, 34dd 24 34 or thereabouts. Reminded me a bit of Clare King from Emmerdale

The Story:

Nice firm massage to begin with on my back with talc. Melanie had a good technique and was much better than the usual perfunctory stroking than usual. Turned over then for more serious fun getting the chap erect didn't take long Melanie having a good wanking technique. While she was doing that I busied myself with her nice shaven pussy which seemed to be appreciated. Mel then went down on me with some good oral, good variation with licking, sucking and rubbing with her hand. Finished with Melanie riding me in both normal and reverse cowgirl.

All in all a top time with a top lady who also works for House of Divine in Milton Keynes as well as at Oasis's other place at Newark and the long established parlour at Eynesbury. A welcome addition to Oasis where she normally works on Tuesday but was filling in today. She works at their Newark place on Monday.
